Private and Corporate Golf Carts

As of the 2024 season, changes were made to the private and corporate golf cart rules. These new changes are being made in the best interest of the golf course and its future.

Private Carts

per season

2 users	\$508
---------	-------

- **All private carts previously paying annual fees will be “grandfathered in” for the next three seasons (2024, 2025, 2026).** After these three seasons, only corporate carts will be allowed.
- **Private carts must be the same cart as before.** They cannot be replaced during the grandfather.
- **All private carts will be limited to (2) registered drivers.** Use will be monitored. In the event of a non-registered driver making use of the cart, additional fees and/or termination of the agreement will occur.
- **Private carts are to be kept in proper working condition.** There must be no oil or fuel leaks.
- **Single-use private carts may be allowed for special events or private tournaments.** This will be decided by the OGCC Management Team on a case-by-case basis.

Corporate Carts

per season

8 users	\$1,030
---------	---------

- **Carts must be in proper working condition.** Condition must be approved by the OGCC Management Team.
- **Corporate carts may be kept at the OGCC.** All carts will be assigned a covered parking stall.
- **Corporate carts will be limited to a maximum of (2) registered drivers.** Use will be monitored. In the event of a non-registered driver making use of the cart, additional fees and/or termination of the agreement will occur.
